

## **HEALTH AND SAFETY POLICY STATEMENT**

The policy of Centurion Blast Cleaning Ltd is to provide and maintain a working environment that is safe and without risk to health.

In order to achieve this policy, we will, as far as reasonably practicable:

- Provide and maintain safe and healthy working conditions for the prevention of work related injury and ill health;
- Comply with legal and other relevant compliance obligations;
- Eliminate hazards and reduce OH&S risks;
- Provide sufficient information, instruction, training and supervision to ensure, the health and safety at work of our employees and others, such as contractors, visitors, and members of the public who may be affected by our activities;
- Ensure that employees are consulted on any developments in health and safety that may affect them and that effective communication takes place to ensure our employees' and others' health and safety is not compromised by any of our work activities;
- Encourage a positive culture through communication, consultation and participation;
- Continually improve the OH&S management system
- Monitor performance through objectives.

Under the Health and Safety at Work etc., Act 1974, everyone has duties imposed on them, whilst at work, to:

- Take reasonable care for the health and safety of themselves and of other persons who may be affected by their acts or omissions at work;
- To co-operate with us to enable the Company to meet our statutory health and safety requirements;
- Not to misuse or interfere with anything provided by the Company in the interests of health and safety.

The policy is communicated to all interested parties.
